Dear Mom and Dad,

Thank you for your application for financial assistance so child can play in Butte United for our 2009 soccer season. We have a proud history of awarding scholarships or providing payment plans, and will begin the review process and let you know soon.

As you know, Butte United is run by volunteers, and we hope that in exchange for financial assistance, that you and your family will find a way in which you can bring your enthusiasm and special skills to our ongoing operations. Along with your application, you should have received a list of typical tasks that we have to get done during the year. We ask that you volunteer 13 hours toward one of these (or one of your own ideas!). Please just let us know how you'd like to contribute.

This application for financial assistance will be applied toward the registration fee for Butte United. Please note that uniforms are additional expense of approximately \$120 and are typically used for 2-3 seasons. There are other costs associated with your team, which may include tournament fees, ranging from \$30 to \$150 per player, depending on how many tournaments your team elects to play. Travel costs associated with away tournaments also need to be considered. Finally, a few teams have paid coaches and/or trainers. Please discuss team costs with your Head Coach.

We look forward to child being part of the Butte United Soccer Club and the xx team and to a great 2009 season. As always, please feel free to contact me, your Head Coach, or any Board member if you have any questions, comments, or concerns. We appreciate your support of our soccer club and look forward to many great years of soccer!

Sincerely,

BG Sick
